

BOURBON TRAIL RACING LLC TRAINER

Bourbon Trail Racing LLC horses will be under the care of Saratoga native Chad Brown. He has served as lead assistant to Hall of Fame trainer Bobby Frankel, and he has been responsible for the care of past Champions, Graded Stakes winners and Breeders' Cup winners. Chad took out his trainer's license in 2007 and it didn't take long to make a name for himself. In 2008, he won the inaugural Breeders' Cup Juvenile Fillies Turf. Since then he has proven that he is a force to be reckoned with.

As the primary trainer of Bourbon Trail Racing LLC, Chad will provide a strong foundation for our racehorses while using his proven skill at providing early results. Our current 2-year-olds are in Saratoga at Chad's barn preparing for an assault on the race meet at the Spa. Any additional horses purchased will join him there.
